Gretz am Artikel an den Zimmermann.
The lemma 'schizophrenia' suggests that the girl in the novel 'Franz Kafka's Metamorphosis' experienced a profound mental transformation.

Franz Kafka's Metamorphosis, 1915

Excerpt from the novel:

' Gust! I snapped.'
10.

In the end, I guess I'm just...
The text in the image is not legible due to the quality of the scan. However, it appears to be a page from a book or a document written in a language with non-Latin script. The content is not translatable or interpretable with the current resolution of the image.
The text is not legible due to its content being written in a language that is not machine-readable. It appears to be a page from a book or a document with text in a language that uses non-Latin script, possibly a language like Arabic or another script not supported by this OCR tool.

The layout suggests it might be a page from a book with text in a non-Latin script. However, without being able to read the text, it's impossible to provide a meaningful transcription or translation.
The text on the page is not legible due to the image quality. It appears to be a page from a book or a document, but the content cannot be accurately transcribed or interpreted.
The text on the page is not legible due to the quality of the image. It appears to be a page from a book or a document, possibly containing paragraphs of text, but the content is not discernible.
The text is not legible or comprehensible due to the quality of the image.
